BCCI Versatility Awards Criteria

"Titles from sports or activities not listed below *may* qualify toward BCCs Versatility Awards at the discretion of the Versatility Committee."

Any title that is NOT a prerequisite for a higher title (an optional title) is not a qualifying title for Versatility – ie PCD, CDI, RI.

Requirements

- **Must be member in good standing with BCC**
- Titles/certificates must be awarded from recognized registries, agencies or dog sport organizations for Conformation, Obedience, Rally Obedience, Agility, Schutzhund, Tracking, Draft Dog, Herding, Scent Hurdling, Chase Ability, Scent Detection, Barn Hunt, Sprinter, etc.
- With the frequency of new events and/or titles being added by recognized registries, agencies, and other dog sport organizations, is not feasible for the BCC to keep adding these new titles under each Versatility Boxer Award. Instead, it will be up to the person applying for the award (VB, VBX, MVB) to include the official title certificates being used for that particular award.
